**Opportunity to Serve in Our Congregation's
Ministry and Governance Positions**

Our Congregation's Ministry Mobilization Team (MMT) is now functioning again as a part of our Peacemaking Team. The MMT is gearing up to recommend to our Church Council, for appointment and ratification at our Congregation's upcoming Annual Business Meeting (ABM), suitable persons for ministry and governance positions, especially those who are "SHAPE-ready".

We have scheduled a SHAPE workshop featuring a training video from Rick Warren's Saddleback Church and using assessment tools from our Congregation's SHAPE package updated (as of 1 July 2016): see <http://www.churchofgodchapel-gt.org/>. This workshop will equip you to be "SHAPE-ready" with fresh insights how your God-given SHAPE best fits for your service in our Congregation's ministries/governance.

This workshop will also serve as a review for veterans who previously completed SHAPE training, especially now to update your SHAPE assessments and to receive relevant feedback from other mature Christians. Thus, everyone in our Congregation (i.e., SHAPE veterans as well as new-comers) is encouraged to participate.

There is no charge for attending, but we will be grateful to receive contributions toward our ministry expenses. However, to help us prepare workshop materials and set-up seating etc., we need an accurate count of all those who plan to attend and on which date.

Although this workshop is organized by and geared toward the George Town Congregation, members of other congregations may also attend. Therefore, if you plan to attend, please complete the following information and then return it to the church office (phone 949-9393):

Date (check one): ___ **Saturday, 27 August 2016, 9:00am-1:00pm**
